## **Feedback Report: College Feedback Analysis for the Year 2022-23**

### **Introduction:**

The college conducted a comprehensive feedback analysis for the academic year 2022-23 involving students, teachers, alumni, parents, and employers. The feedback process aimed to assess the curricula prescribed by Savitribai Phule Pune University. This report focuses on the feedback provided by the students, collected through a structured questionnaire made available on the college website.

### **Student Participation:**

The feedback process witnessed enthusiastic participation from students across various classes. Remarkably high engagement rates were observed, with more than 90% of students actively participating in providing feedback. The students' commitment to actively engage in the feedback process is commendable.

### **Overall Feedback:**

Students, the primary stakeholders, expressed their opinions on various aspects of the college experience. The feedback highlighted several positive aspects and valuable suggestions for improvement:

**Structured Questionnaire:** The questionnaire prepared by the NAAC was well-received by the students, ensuring a comprehensive assessment of their academic journey.

**Active Participation:** Most students responded to all the questions, indicating their keen interest in contributing to the college's development.

**Quality Enhancement:** Students acknowledged and appreciated the college's initiatives to enhance the overall quality of education.

**Participation in Programs:** Students actively participated in college programs and events aligned with their interests, fostering a vibrant campus atmosphere.

**Constructive Suggestions:** Students provided constructive suggestions, including the need for extended library hours during examination periods, the introduction of new add-on and value-added courses, and the enhancement of students' employable skills.

**Student Representation:** There was a collective request to increase student representation in in-house committees, indicating a desire for more active involvement in decision-making processes.

### **Specific Feedback:**

Students' feedback covered various areas, including curriculum evaluation, library facilities, extracurricular activities, and student representation. Their responses provided valuable insights into their academic and overall college experience.

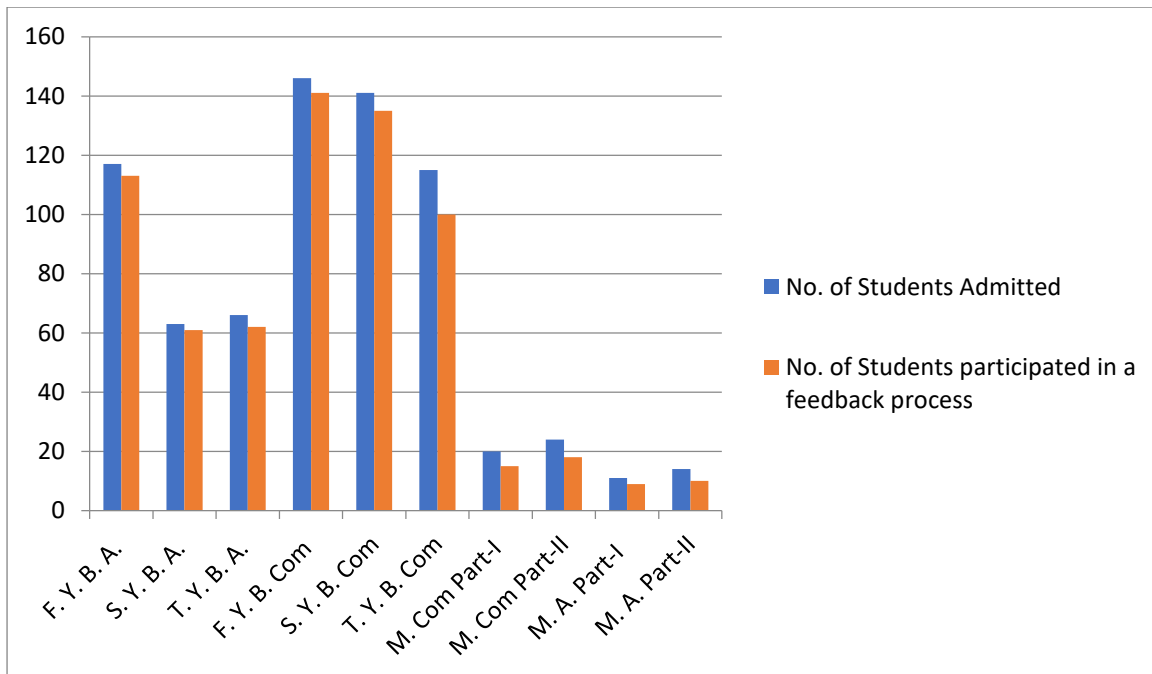

**Suggestions for Improvement:**

**Library Services:** Extend library reading room hours to accommodate students' study schedules, particularly during examination periods.

**Academic Offerings:** Introduce new add-on and value-added courses to enhance students' skills and employability.

**Student Representation:** Increase students' representation in in-house committees to foster a sense of ownership and involvement in college decision-making processes.
